

LRCA Chairman's Report 2017-18

I would like to thank all the officers of the LRCA for the hard work over the year. We are desperate however for some new members to come forward and volunteer to be officers of the Association, in particular a new league secretary, it is only thanks to John Pattinson who continued in this role despite resigning at the AGM two years ago that the league season was able to take place. No league secretary means no league chess.

The charity evening held in September raised over £100 for McMillan Cancer Research, thanks to all those who entered and who gave generously on the evening, we had an excellent turnout of teams.

The league season has come to a successful finish and congratulations to all the divisional winners, and to last years Summer Cups winners and the individual County Championship winners.

A particular thanks go to Paul Mottram for all the hard work he has put into Junior Chess over the last year, this has resulted in Leicestershire junior chess going from strength to strength.

Finally, a big thank you also to Stewart Gordon who has taken over the future development and running of both the results website and the news website which have now been merged and are being professionally hosted.
