

Rating Officer's and Webmaster's Report

Following the changes over the last few years to use the Elo rating system and produce monthly ratings, there have been further changes by the ECF, mainly to the rating categories. I still don't know why they did this, but the new P ratings have caused us some problems, with some of these being based on a single game!

The following events have been submitted for rating over the last year:

- 2022 Summer Cups
- 2022–23 Leicestershire Chess League

Along with this, I have continued my work on the LRCA website. I would like to apologise for the improvements that I still haven't got round to implementing, and plan to set aside some time over the summer to work on these.

It has been my honour to provide these services for the LRCA, and I would be happy to continue providing these services for the 2023–24 season.
